# TRUTHING

**Truthing** is the courageous decision to be your true self, unapologetically. You refuse to mask parts of your identity to make others feel comfortable, to be accepted, or to assimilate to suffocating norms. You walk in your truth every day regardless of where you are or who you are with, and that you listen, respect and consider the truth of others.

## TRUTHING SESSIONS

Looking to deepen your conversations with friends, family, or coworkers? Host a Truthing Session with Truthing Cards! With 3 decks and over 100+ thought-provoking questions, these sessions create a space for open, honest dialogue where everyone can be their authentic selves. Laugh, cry, and grow as you connect on a deeper level through candid conversations. Each question leads to more meaningful connections, making every session a journey of discovery and bonding. Let the truth flow!
